Service to Interior Alaska: We can, we will, we do!

Interior Alaska Repeaters

AARC maintains an extensive repeater network, and with help from our friends and hosts, covers much of Interior Alaska primarily on 2 meters. Some frequencies may be re-allocated, or some repeaters may be down for

maintenance. Contact the club at our web site www.kl7kc.com for current information on the repeaters or contact local amateurs. Many listen on 146.52 FM simplex as well as area repeaters. Email before your trip. 73!

Arctic Amateur Radio Club

Events and Activities

Hamfest 2005 is scheduled for **August 13** at Pioneer Park, Airport Way and Peger Rd. Swap meet, presentations, family picnic.

The Club meets monthly during Sep-May on the first Friday at 7 PM. University of Alaska Fairbanks Geophysical Institute, Elvey Building auditorium.

License exams each month on the first Saturday at 1 PM at the Noel Wein Public Library, 1215 Cowles St. Walk-ins welcome; no pre-registration is needed.

Weekly breakfast gathering on Saturdays and lunch socials on Wednesdays at the Bakery Restaurant, 69 College Rd.

Emergency service members of AARC are very active throughout the Golden Heart area. Contact Linda Mullen AD4BL for information on Amateur Radio Emergency Service efforts. Email ad4bl@arrl.net

AARC provides communications for the Yukon Quest – “The World’s Toughest Dog Sled Race” – from mid- to late February. See us at the Fairbanks Visitor’s Center.
